

SCIENCE UNDERGRADUATE SOCIETY

ABOUT US

The SUS is **YOUR** student society. Every science student is a member of SUS. Our mandate is to promote the academic, physical, and social well-being of all science students, create and foster a sense of science community, promote good relations with other communities on campus, and represent your interests as science students to the administration.

The SUS represents

ABDUL LADHA SCIENCE STUDENT CENTRE

The Abdul Ladha Science Student Centre is home of the Science Undergraduate Society and a great place for students to hang out, study, or eat lunch. It is dedicated to helping UBC Science students connect and learn outside of the classroom.
